BC WEEKLY NET PREAMBLE

Open:
- This is (Name, Call), Net Control for the BENTON COUNTY ARES NET.

- This is a directed net. To break the net, please use your call. Stations are requested to remain on frequency unless excused by net control.

- This is an informal net held weekly here on 147.16MHZ, with a PL tone of 100 Hz, through the courtesy of the Oregon State University Amateur Radio Club. The backup frequency for this net is 147.51 MHz simplex. Benton County ARES also operates repeaters on 146.78 MHz, with a PL tone of 156.7Hz, and 442.3 MHz, with a PL tone of 162.2Hz.

- The purpose of this net is to keep members and other interested amateurs informed of news and events in the local area.

- This net is now open for check-ins. Please give your call sign phonetically when checking in.

Handle net business, questions, meeting times, etc.

Close:
- For experience, all members are encouraged to be NET CONTROL STATION. Contact net manager Scott Gilbert, KF7GGN, to volunteer for NET CONTROL. This is (Name, Call), closing this session of the BENTON COUNTY ARES NET. Thanks again to the OSU Club for the use of their repeater. This is (Call) CLEAR.

Contact Net Manager with list of check-ins.
